FAQ

Difference Between TV Channels

“S”series is less than “P” series (USA, Canada, UK, and Indonesia).

Clear Customs?

Customs clearance is a random inspection by the customs. Very few cases are spot-checked, and when we ship the goods, the price written on the invoice is very low, so the cost of customs clearance is also relatively low.

	18 months warranty service, professional technical team	Warranty	One year warranty, even half a year warranty	

Customers Reviews

COMMENT

 Canada

Qui***

Jul 10, 2021

The memory configuration is very high, almost the same as the mobile phone, you can download a lot of movies, the function is also very strong, and the voice recognition is amazing.
